That's correct

Bill: I seem to recall from a recent email conversation with Darcy that Jennifer was considering whether to invite the ORIA folks for tomorrow's briefing? Even if they don't attend, we could consider bringing this up tomorrow and/or be prepared to have Sue (ORIA's OGC attorney) respond. We can also wait to include it as another talking point now or later before the call with NRC if needed.

Douglas and Sarah –

Was Bill Von Till planning to send us the proposed agenda again after they streamline it? Please see Sue's email below

It sounds like the program up to Darcy is considering whether to include ORIA in the briefing tomorrow. Do you know whether they will be invited? Sue Stahle has included Brian Doster on the email chain below.

Thanks, Lucita

Sure, happy to. Their proposed agenda that I sent around last week has their line of reasoning on this. Sue's email from yesterday indicated

I'm also attaching their proposed agenda for you to review. I think they said that Elise Striz drafted it, although she was unable to make the call yesterday. On the call, Bill Von Till expressed that it had too much detail and planned to streamline it more. I thought they were going to send it back to Douglas for review, but we haven't seen it yet.

Maybe we can come up with a few bullets on that to add to the briefing paper if there's still time before it's finalized. Lucita/Sue/Carrie -- Would it help to have a short call to discuss?

Just got off a call w/ NRC's staff and attorneys regarding the upcoming meeting. We went through their proposed agenda to see if we could streamline it and talk through some of the issues. I had the opportunity to ask Andrew Pessin

Let me know if you have any questions, but I found the conversation helpful as we brief this up and prepare for the call.
